What is your favorite song from Kagerou Project?

>> My favorite is "Kagerou Days"! This was the song that allowed me to encounter Kagerou Project, and I sing it a lot in karaoke so I have a strong emotional attachment to it.

02

Which Kagerou Project song has the most impressive PV?

>> It's "Children Record"! The animation is so amazing just for the opening...! I couldn't hide my surprise... what a wonderful PV... I really enjoyed it.

03

Which scene or line would you personally choose from Kagerou Days?

04

Which Kagerou Project character do you admire?
